*Owner Handler
Betty Streeter
of BRF Great Danes*

1) How did you get started?

Interesting you should ask that question. I had helped out occasionally handling but never intended to get serious about it until we got

CH. Windy Hill's Kodak Moment. Marie was showing him for us and doing okay but he lacked enthusiasm and she suggested I learn to handle him. So with her help I started to train myself to be the best handler I could be. I still work hard at it because it is a tough job but Shane and I succeed and I finished him owner-handled.

2) What has been your most valuable lesson?

Watch successful handlers never give up try not to get discouraged.

3) What tip could you pass on to others starting out wanting to owner handle?

It is very hard; never give up and never let down when you are in the ring.

GDR would like to thank Betty Streeter for taking the time to answer our questions.
