Ch Ace-Hi One of ThsNights Zarlin “Jewels”

one day after a show and said "She is too nice to not be winning. If you need any help just ask." So I decided I needed help. Linda showed her and she was finished in 5 weekends.

I brought Jewels (Ch Ace-Hi One of ThsNights Zarlin) home in October 2002. Something about Jewels just made me know she was the one. She was from a litter of 8 out of Ch Zarlins A Little Bit Rock and Roll & Ch Char-Mats Destined to Ragz bred by Jackie Herman. Jackie and I had been friends for several years, and she had been sending me puppy

I tried showing her myself, but couldn't get anything better than a Reserve. Jackie showed her 2 different weekends for me to see if she could do any better. One weekend Jewels won a 5 point major and the other she won both days. Linda Cain approached me

She was my first Champion.

I had several people tell me I should special her, but she did not like showing. I had always told her when she was finished; she didn't have to show any more. Jewels was happy to be retired.

Jewels became my foundation bitch. I bred her to Oscar (Sasдания-Vitag's Frozen Asset) and she had 2 pups. Kody (BISS Ch Kaviroz Code of Excellence), and Cameo (Kaviroz Carved in Stone).

It's so hard to believe that today August 19 she turned 10 along with 2 of her sisters Skyler & Nikki. She moves a little slower these days , but still has a sparkle in her eye and a smile on her face. And, I love her with all my heart.

Thank you Kathy for sharing your wonderful girl with us.
